

# **SECOND GRADE SUPPLY LIST 2018-2019**

Over the summer, be sure and watch for sales in July. Staples, Office Depot, Walmart and Target usually have the lowest prices during this time of year. The Dollar Store is also a great resource. Shop early for the best prices and selection!

Please do not send in a pencil box, ruler or scissors. Supplies that are shared are community property, and kept in bins in common areas. Sharing helps build a classroom community! ☺

\*In second grade, we use a behavior system that involves students maintaining a bank account. We use this method to teach money all year long. During the week, students may have their accounts credited and debited for various reasons. Each Friday, the students can shop at the class store for various items and purchase them out of funds from their account.

In the fall, we will need various small items donated to stock the store. The items can be new or gently used. Some examples of items donated in the past have included pencils, erasers, dollar stores items, books, and small stuffed animals. We also have tickets that can be purchased in the store such as *'sit at the teacher's desk'* for the day, *extra computer time*, and *eat lunch in the classroom with a friend*. Over the summer, if you could set aside some items that we could use in the class store next year, we would appreciate it!

Thanks!
