Margaritaville for the Arts & Technology

On Saturday, May 20, 2017, Academie Da Vinci Charter School for the Arts & Technology will present its 2nd Annual **Margaritaville for Arts and Technology** from 7:00-10:00 pm. The event will be held at the Dunedin Fine Arts Center located at 1143 Michigan Blvd in Dunedin.

Margaritaville for the Arts and Technology is a fun, island-style party which brings family and friends of ADV together for a night of margaritas, beer, wine, food, auctions, live music and tremendous support for our children.

Academie Da Vinci is well known as a school for the arts. The school has also made great strides in developing its technology program. We believe that the Arts and Technology go together! In order to accomplish our goals for student success, we are turning to you, our community.

Please see the following sponsorship opportunities available to you and your business. Of course, your donation is **tax-deductible!** Upon receipt of your generous donation, you will receive a personal thank you letter, along with our tax ID number and a receipt for your donation amount which will directly benefit the school's arts and technology programs.

On behalf of the students and staff, we thank you for your friendship and support. Feel free to contact me with any questions at: 813-477-0468 or KristaJensen@kw.com.

Appreciatively,

Krista Jensen, Margaritaville for the Arts & Technology Chair
