Academie Da Vinci “6th grade and sibling”. - \$10 per siblings

Mornings: 6th / 7th grade students with younger enrolled siblings may arrive by carline in to the cafeteria at 8:20 am. Breakfast is not required. Ms. Jen will walk them over to the north building at 8:45-8:50 am.

Afternoons: Younger siblings of 6th / 7th grade enrolled students will be walked over to the north building at 3:50 pm – 6th / 7th grade dismissal time. Then they will join their older sibling for supervised 6th / 7th grade dismissal in front of the north building. In this manner parents, will only need to drop off and pick up once per day.

What do you need to do to sign up for this special program?

1. Register for ELP – see Miss Jen any morning to complete forms and pay \$25.00 per year per family
2. Follow the timelines! 6th / 7th grade students may enter at 8:20am through carline. Younger sibs will be dismissed along with their older sibling at 3:50pm at the north building. You will be billed for time over the established timeline. Afternoon pick up for middle school ends at 4pm.

* Please note – this arrangement is only available to enrolled students in 6th / 7th grade with younger siblings also enrolled in ADV. We do realize that several 6th / 7th grade students and their siblings are already enrolled in ELP due to family work schedules. This program is not designed to take the place of regular ELP – the beginning and ending times will be enforced and the charge of \$1.00/minute will be applied for any extended care before or after school.

EXTENDED LEARNING PROGRAM (ELP)

The Extended Learning Program (ELP) will open at 7:00 a.m. Child/children must be signed in by a parent/guardian. OUR STAFF IS NOT ALLOWED TO SIGN IN STUDENTS.

ELP will close promptly at 6:00 p.m. A late fee of \$1.00 per minute (per child) after 6:00 p.m. will apply and must be paid to continue participation in the program. If you know you will be late, please phone the school and let the staff know your approximate arrival time. Service charge on returned checks \$30 per check or bank fee whichever is higher. Repeated concerns about returned checks will result in the school accepting money orders only.

All fees are non-refundable; there are no refunds for student absences.

Tuition is due every week. You may pay in advance for multiple weeks or entire month.

Please note children/child’s name and weeks paid on memo line.

Students may attend if their tuition and late pick up fees are currently paid.

A healthy snack is provided, however, if your child requires specific food items, or has allergies please provide their snack daily. Students are welcome to bring their choice of snack from home. Donations are always appreciated – bag of apples, oranges, bananas, grapes, vanilla wafers, etc.

STUDENTS MUST BE SIGNED OUT BY PARENT/GUARDIAN – Students will not be released to older siblings or anyone else, unless they are listed on the students forms and present a valid driver’s license.

In cases of illness, we will immediately contact parents/guardians. If we cannot contact parent/guardian we will immediately call all emergency contact persons or anyone authorized to pick up the student. Please be sure all phone number are correct on the student’s forms.

It is the judgment of the instructor/director that if the child presents a health or safety risk to other children in the program, that child may be terminated from the program. Continual disruptions that hinder the quality of the program will also be cause for termination. Every effort will be made by personnel to correct all disruptive behavior, but in the event, that the disruptive behavior cannot be resolved in a reasonable length of time, the director may notify parents/guardians that termination will be enforced.
