

ADV Wall Calendar Fundraiser

Dear ADV families,

We are excited to announce a custom 2016 ADV wall calendar featuring artwork created by our kids!

This fundraiser will help raise money for the school's new deck and the playground sunshade. Each of the 13 classes is creating a collaborative art project which will be displayed on the cover and on each month of the calendar.

Mrs. Stanziano, our art teacher, is coordinating all of the class projects to make this fundraiser possible. Artwork will include each child's name, but no photos of the children will appear on the calendar, and none of the art images will be shared externally. Calendars will be printed by Smartpress, a green online printing service and new ADV supporter: www.smartpress.com.

Calendar features: 12 monthly grids, 11 x 8.5 inch (W x H), wire coil top binding, center hanging hole, full color art image on coated card stock, monthly grid on uncoated card stock to accept both ballpoint ink and pencil notations.

The picture above represents the basic format of the calendar.

They are reasonably priced at \$15.00 each for families to buy for themselves and for gifts!

Calendars are available by pre-ordering only. Orders will be accepted through November 6, 2015. The goal is to distribute them right after the Thanksgiving break, in time for holiday gift-giving. For payment by check, please use the order form below. For other forms of payment, please purchase through the school store at <http://adv.3dcartstores.com/>.

Note: All purchase methods are for in-school delivery, to be sent home with the child listed on the order.

Purchasing a calendar is a great way to support our school while showing off the artistic talents of our students. We hope you will participate in this fundraiser and buy a useful and affordable product uniquely designed by our kids!

Please direct any questions to Tina Malosky at tina.malosky@honeywell.com.

Thank you!

Please place order form with payment in an envelope marked "Wall calendar" and return to your child's teacher.
