

AUGUST

HS—K-12 Satellite Hot Lunch Menu

Fun Fact!

The first Popsicle was invented in 1905 by accident! An 11 year old boy left a drink with a stick in it on his porch one night, and the next morning he found a frozen pop!

Lunch Meals include canned or fresh fruit, or 100% fruit juice; & your choice of milk: skim, low fat, or fat free chocolate.

All menus are subject to change! We do our best to provide our customers with all of our planned options; however, sometimes crops, weather & availability have other ideas!
