

## Academie da Vinci Charter School

### Face Covering Medical Exemption Form

The health and safety of our students and staff is our top priority at ADV School. In order to keep ALL students, faculty, and visitors safe and to limit the spread of COVID-19 in our school and classrooms, we are requiring all students, employees, and visitors to wear a face mask while indoors on campus for 30 calendar days effective Monday, September 13, 2021. This policy will be reevaluated on October 11, 2021. If your child has a medical, physical or psychological condition that prohibits them from wearing a face covering, please consult with your medical provider and complete this form.

Date:	Parent/Guardian Information
Student Name:	Parent Name:
Physician Name:	Parent Signature:
Physician Signature:	Parent Contact Number:
Physician Phone Number:	Parent/Guardian Email:

Please attach medical certification from a licensed medical physician that includes a description of the medical reason for the exemption. Please submit this form and medical documentation to the front office at ADV School.
