

5th grade summer homework:

Math:

Join Upcoming 5th Grade Class on KHAN

<https://www.khanacademy.org/join/X28TRN6Y> , or join class with code:
X28TRN6

1 Go to [khanacademy.org/join](https://www.khanacademy.org/join)

2 Enter your class code and press “Add”. Class code: X28TRN6

3 If you don’t already have an account, press “Create a new account”. Enter your date of birth, then sign up using Google, your school email, or by creating a username.

4 Enter your grade and subject.

5 Go to assignments, and now you’re ready to start learning!

LA:

Incoming grade five students should select a Sunshine State book (They are available at Barnes and Noble). The Sunshine State Book List can be found online. Read the book over the summer and write a two-paragraph summary of the book and what you loved about it.

Write a one paragraph summary of a fun summer event that you participated in. Choose four other fun summer events and write 1 paragraph for each of those events. (Journal style) In total, you should only have five paragraphs. It's just a summary of your favorite five events.
