## **Mission, Vision, Core Beliefs, & Goals**

### **Mission Statement**

The mission of *Academie Da Vinci* is to develop in our students a passion for learning, high achievement and caring for each other and their community by immersing them in an integrated arts, sciences and technology curriculum.

### **Vision Statement**

Our vision is to create a leading K-8 charter school that is highly regarded for its academic excellence, commitment to the arts and technology, and its contribution to the community.

### **Core Beliefs**

*We believe in inclusivity, creativity, positivity, achievement, flexibility, and being supportive.*

*“Art is the queen of all sciences communicating knowledge to all the generations of the world”  
~ Leonardo Da Vinci*

### **About Us**

*Academie Da Vinci* opened in 1997 with 40 students. It was the first charter school in Pinellas County and devoted to teaching the arts while offering a rigorous curriculum that challenged students academically.

*Academie Da Vinci* is a public school affiliated with Pinellas County Schools. As such, it is overseen by a volunteer Board of Directors but must meet many of the mandates of the school district and the state department of education, including state testing and periodic assessments of all students and teachers.

Because of its successful academic and financial history, in 2010 the school was awarded a 15-year extension on its charter with Pinellas County Schools; the longest charter (contract) allowable by state law and declared a “high performing” charter school by the Florida State Department of Education.

In 2012, led by the initiative of the Board of Directors, the school moved from its original site on Pinehurst Road to its new home on Keene Road. The new location allowed the school to double in size from 116 K-5<sup>th</sup> graders to 250. Today, the original mission of the school continues to sustain an outstanding and award-winning academic program integrated with chorus, graphic arts, dance, music, technology, and a TV production lab.

In 2016, the school completed an extensive renovation of the north building to include a Technology Lab, a Science lab, new music room and classrooms for middle school, grades 6-8.

## **2021/2022 Guiding Practices and Protocols, COVID-19 Response Updates:**

As of June 9, 2021, Academie da Vinci, in conjunction with Pinellas County Schools, has modified certain protocols as conditions and information has changed and will continue to seek and follow sound medical advice.

Academie da Vinci is committed to providing high-quality instruction and enrichment opportunities for all students, while also maintaining wellness protocols for students and staff. We anticipate that as the community continues to return to pre-pandemic conditions, that the processes below will also guide our school's return to pre-pandemic operations. Any updates will be communicated to all stakeholders.

### **Instruction**

- Simultaneous teaching, which served a valuable purpose in the 2020-21 school year, will not be utilized during the 2021-22 school year.
- Academic growth will be accelerated for every student through in-person instruction, high-quality teaching practices, programs and targeted enrichment and intervention opportunities matched to student needs.
- All students will be engaged in rigorous, collaborative and inclusive educational practices which include whole class, small group and individual instruction across all grade levels and content courses.
- Academie da Vinci students and teachers will continue the use of digital learning applications and platforms within classrooms.

### **Extracurricular Activities**

- Extra-curricular, performing arts and school events will resume to support student engagement and will follow district and/or organization guidelines, review, permission and wellness protocols.
- Activities and/or field trips will resume and follow the district review, permission and wellness protocols. Any field trip to a non-district location must follow the wellness practices of both the district and the field trip location.

### **Family Engagement and Campus Visitors/Volunteer**

- In-person family meetings and conferences will resume and, whenever possible, virtual options will also be made available to meet the needs of all stakeholders.
- Opportunities for on-campus visitors and volunteers will return to pre-pandemic participation. All visitors and volunteers must follow district wellness practices and approval processes (e.g., check-in procedures, Level II clearance, etc.).

### **Wellness Protocols**

- Face coverings will continue to be recommended (not mandatory) when indoors for both staff and students.
- School district personnel will not monitor nor enforce the use of face coverings for staff or students; however, face coverings will continue to be made available at school sites for students and staff.
- All buildings will continue enhanced cleaning and sanitizing protocols. Cleaning supplies will continue to be provided to each classroom.

- Social distancing practices, to the extent possible, will continue while also ensuring collaboration in classrooms and throughout the school buildings. Schools are instructed to use 3-6 feet as a guide for social distancing.
- While plexiglass barriers were once regarded as a strong mitigation layer, it is no longer viewed by the medical community as a priority strategy. The use of plexiglass has a negative impact on a collaborative learning environment but may be used sparingly.
- Water fountains in all district buildings will remain closed except for filling water bottles.
- Seating charts for classrooms, lunchrooms may be requested if there is a positive case at a school site to support contact tracing under the direction of the Department of Health-Pinellas.
- School sites will maintain a separate space for individuals exhibiting symptoms of COVID-19.

## ***Daily Routines and Procedures***

**Attendance: Regular and timely attendance is expected of every student.**

**\*All procedures and practices align to Pinellas County Schools policy.**

Please keep absences at a minimum. Nothing can replace the experience of original instruction, classmate interaction, and classroom practice and activities.

- A. Excused absences, as directed by the State Department of Education, include the following:
  1. Illness of a child.
  2. Major illness or death in the immediate family.
  3. Student is attending religious instruction or there is a religious holiday in the student's own faith.
  4. Medical or dental appointment. (doctor's note must be provided, see below)
  5. Special event approved a minimum of five days in advance by the administrator (e.g., important public functions, conferences, state/national competitions, etc.)
  6. Students having, or suspected of having, a communicable disease or infestation which can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard. (Students are allowed a maximum of three excused days for each infestation of head lice).
- B. Parent Notes: Upon returning to school, the parent should provide the teacher with a written excuse indicating the specific reason for the absence. These excuses are to be submitted to the office staff for filing. Please submit excuses within 48 hours of the student's return to school.
- C. Doctor Excuses: Doctor's notes must be given to the school within 48 hours of a student's return to school, otherwise the absence(s) will be recorded as unexcused.
- D. Students may be excused from school during the school day for a doctor or dentist appointment or for some other legitimate reason. Should such an absence become necessary, the parents must request it in writing and must sign the checkout book in the office when they come to pick up the child. \*Please avoid making appointments that occur during afternoon dismissal times, as this may delay the dismissal process.
- E. After 3 consecutive days of absences, the teacher or Administrator will make contact with the parent or guardian to inquire as to the nature of the absences.
- F. Tardies: Every third unexcused tardy within a grading period counts as an unexcused absence (see PCS Attendance Policy).
- G. Excessive Absences/Tardies: Parents/guardians will be sent a letter if a student accumulates more than 5 unexcused absences. If 5 excused or unexcused absences or 10 tardies are accumulated within a single grading period, parents/guardians will be contacted

by the administrator to set up a conference, which the parent/guardian must attend. Students incurring 10 absences within a semester will also result in a conference between the parent/guardian and administrator and/or Child Study Team. There is a possibility of the initiation of the PCS truancy process.

### [PCS Attendance](#)

## School Hours

Kindergarten- 2<sup>nd</sup> Grade 8:30 am – 3:00 pm (Dismissal = 3:00-3:15)

3<sup>rd</sup> Grade-5<sup>th</sup> Grade 8:30 am – 3:15 pm (Dismissal = 3:15-3:30)

**\*Dismissal for families with K – 2<sup>nd</sup> grade child AND a 3-5 grade child is 3:15\***

6-8<sup>th</sup> grades 9am-3:50 pm (Dismissal = 3:50-4:00)

Please note: Families may incur an extra charge of \$25 per day if elementary students are dropped off before 8:15 am or picked up after 3:30 pm, or middle school students are dropped off before 8:45 am or after 4pm (middle).

<b>Lunches</b>	<b>K, 1<sup>st</sup> &amp; 2<sup>nd</sup></b>	<b>11:25 - 11:55 (South Building)</b>
	<b>3<sup>rd</sup> and 4<sup>th</sup></b>	<b>12:15 - 12:45 (South Building)</b>
	<b>5<sup>th</sup> and 6<sup>th</sup></b>	<b>11:51 - 12:21 (North Building)</b>
	<b>7<sup>th</sup> and 8<sup>th</sup></b>	<b>12:44 - 1:14 (North Building)</b>

Families are invited to join their child to have lunch on the back patio for students in **grades K-5**; please sign in at the south building front office **5 minutes** before your child's scheduled lunch time.

### Elementary School Arrival and Car Circle: (K-5)

Daily arrival time is between 8:15 a.m. and 8:29 a.m. **School starts promptly at 8:30.**

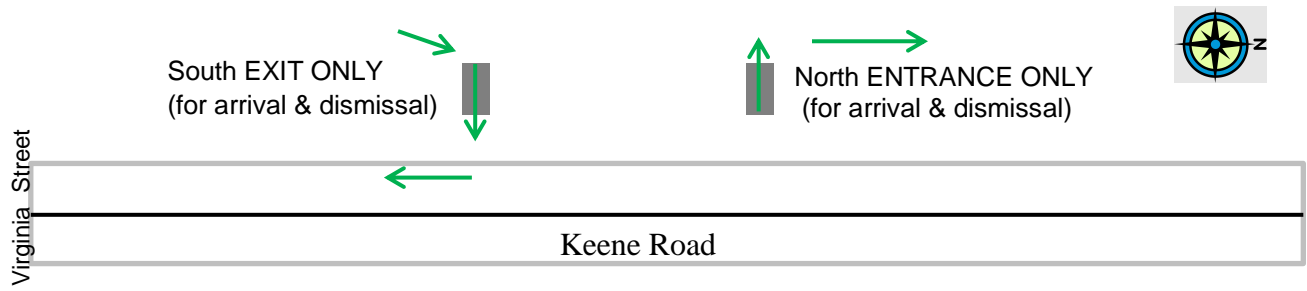

Students arriving before 8:15 must remain in their family car until welcomed in by the staff or volunteer parent at 8:15 or report to the Extended Learning Program and pay for those services.

When arriving at 8:15 and later, students will be helped from their car by staff or volunteer parents. Only school staff or volunteer parents may open car doors. As students move from the car they will be closely escorted to the sidewalk. From there, each student will go directly to their assigned hallway.

### Elementary Students - Arrival and Pick Up Procedures:

- Each student **MUST** wait for a staff person or a parent who is helping with car duty to open the car door. Parents/children do **NOT** open doors or exit vehicles in the car circle. Each family will receive two car placards at the beginning of the school year. Car placards **MUST** be used. Cars without placards will be asked to park and come into the building to pick up their child. If parents need to get out of the car to assist their child with a car seat, they must park and walk into the building to get their child.
- Car entering the car circle **MUST** enter from the north entrance and follow the path illustrated below:

**Middle School Arrival and Pick Up Procedures:**

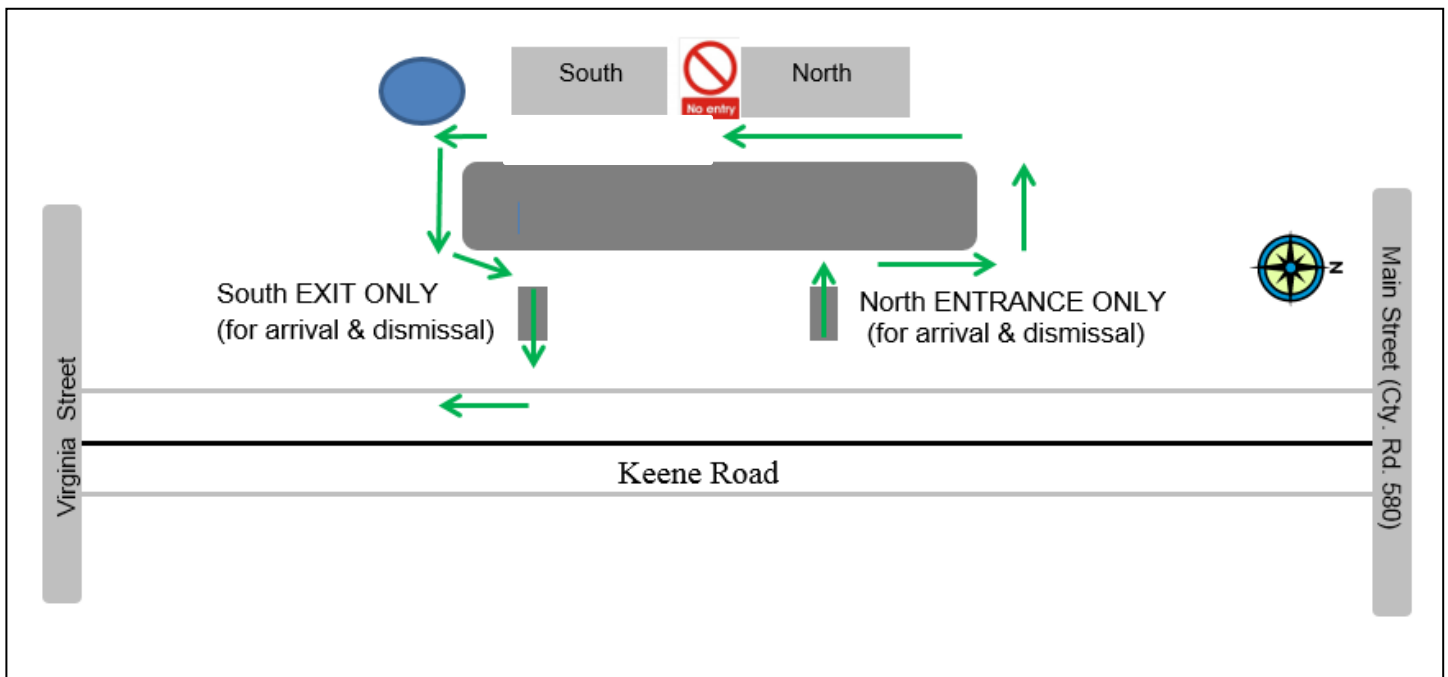

Drop off begins at 8:45am. Please do not drop off your student before 8:45 as there will be no supervision outside at that time. Car circle will form in front of the north building. Staff will be assigned to supervise drop-off. Students will enter the school and go to their lockers then homeroom class. Class begins promptly at 9am.

Dismissal is at 3:50 pm. Car circle must form in front of the north building. Staff will be assigned to supervise dismissal. Students not picked up by 4pm will be brought to ELP, parents will be charged. Students participating in an after-school club will be escorted to their club.

Late arrival: all middle school students arriving after 9am must be brought in by a parent into the South building to obtain a tardy pass and will be escorted to the north building.

**Car Circle Rules (Middle School):**

- Students may exit their vehicle independently and should cross in front. Teachers will monitor students as they exit vehicles and assist, as needed. Parents do NOT exit vehicles in the car circle. Each family will receive two car placards at the beginning of the school year. Car placards MUST be used. Cars without placards will be asked to park.
- Car entering the car circle **MUST** enter from the north entrance and follow the path illustrated below:

**Birthdays:**

Families may request to bring in a special treat for their child’s birthday. We ask that parents make arrangements with the classroom teacher at least 1 week in advance. Everyone in the classroom must be included in the celebration.

Healthy treats must be store-bought and packaged, and unopened/unaltered. The teacher will confer with the parent regarding students with food allergies and suggest alternative treats.

If a student wishes to distribute invitations at school for a private party every child in the class must be included. The teacher may not give out other parents' email addresses.

### **Cell Phones:**

Students are not allowed to use cell phones while school is in session for any reason. Do not call or text your child during school on their cell phone. Student cell phones must always be in their backpack and turned OFF. Student use of cell phones to contact a parent or guardian for an emergency before or after school will be supervised by staff. Academie Da Vinci is not responsible for repair, location or replacement of any cell phone.

### **Class Assignments: Teacher Assignment/Request**

Parent requests for specific teachers will not be honored unless there are extenuating circumstances as determined by the principal. We have an excellent staff and feel that children should learn to accept a variety of personalities and teaching methods.

### **Communication:**

Parent-Teacher communication is always a shared process. Parents are responsible for keeping their Parent Portal up to date on home addresses, telephone numbers, including cell phone and correct email addresses. Additionally, Student Clinic Cards must be up to date and every person authorized to pick up your child must be listed. Each teacher's email address is listed on the website and in the front of this parent manual. Students will not be removed from the instructional setting to answer calls. Parents may leave a message with pertinent information to staff.

Teachers will send home the Elementary Communication folder and/or Student Planners regularly (a minimum of once a week, more often if needed) with students. These will contain pertinent information, forms to signs, and notices of upcoming events. Parents are responsible for reading and responding to this information.

Updates and coming events will be announced on the school website on a regular basis. Please check the site often [www.academiedavinci.org](http://www.academiedavinci.org).

Academie da Vinci uses an email messaging system called "Constant Contact" and phone messaging system called "School Messenger". All parents/guardians are automatically entered into the Constant Contact ADV list, based on your information on the Portal. Please ensure your Portal profile is up to date with your current email address, home and/or mailing address, and phone numbers. Please note that the Family Facebook page often includes great pictures and information; but it's not an official form of school communication. Please direct your questions

and concerns to the school by emailing or calling your child's teacher, the Principal, Dean of Students or other staff person.

Communication between the school staff and parents is essential for each student's success at *Academie Da Vinci*. The staff understands this and will make every effort to communicate regularly and promptly through e-mail, phone calls, notes home, and conferences.

### **Conferences & Meetings:**

**K-5: A minimum of two parent-teacher conferences per year are required.**

**Grades 6-8: A minimum of one parent conference is required.**

Parents may also call or email to schedule a conference. Please schedule all teacher and principal conferences in advance by appointment. Because of their busy schedules, teachers cannot meet for conferences except by appointment. Scheduling by appointment allows them to prepare information and grades so that the conference is productive and ensures they can devote all their attention to the topic of the conference. Please let the administration know in advance if you wish them to attend a conference.

### **Contagions/Contagious Diseases:**

Students will maintain socially distant practices to the greatest extent possible, our school will follow the recommended 3-6 feet as a guide for social distancing. Face coverings will continue to be recommended, not mandatory when indoors for both staff and students. School personnel will not monitor nor enforce the use of face coverings for staff and students; however, face coverings will continue to be available for students and staff.

If your child has a contagious illness, symptoms related to COVID-19, or is running a fever, please make arrangements to keep your child at home. Children cannot return to school until they are fever free, without medication, for 24 hours prior to their return. Please Note: Academie da Vinci is following directives from the Department of Health, CDC, and Pinellas County Schools regarding COVID-19 procedures.

If there is a contagious outbreak in school, families will be alerted by the principal via Constant Contact or School Messenger. Students within close proximity of the affected student or staff (within 3 feet for more than 15 minutes) may be asked to quarantine and will be notified by administration.

If your child has been exposed to someone with COVID-19 or has been around someone awaiting COVID-19 test results, your child must remain home until the test results come back negative.

If a child shows any signs of having lice the school will do a head check. If the child has lice, she/he will be sent home and may not return to school until treatment has been administered and all nits have been removed. Upon return to school, the student will be checked again to make sure the treatment has been effective.

### **Discipline:**

Discipline is the process of assisting a child in changing behavior and making good choices. We are never satisfied with merely stopping poor behavior; we strive to use the situation to show students support, help students learn to make good choices, and gently guide them in reaching their full potential. We never lose sight of the fact that we are educators, and every situation is an opportunity to teach.

Based on these guidelines, *Academie Da Vinci* follows a school-wide Positive Behavior Interventions & Supports (PBIS) program called CHAMPS. These expectations are enforced school wide.

[The Pinellas County Schools Code of Conduct](#) will be integrated into our school practices. A copy of the Code of Conduct will be distributed to each student and sent home just after the school year begins.

### **Dismissal:**

Only students supervised by staff in an after-school activity or enrolled in our Extended Learning Program (ELP) are to be on school grounds after school hours.

Students scheduled for the afternoon Extended Learning Program MUST report to the supervising ELP adult immediately at dismissal and be counted in roll call.

If a student is going home with another family, the office MUST BE NOTIFIED IN WRITING no later than the morning of the pick-up day. Be sure to include the name of the pick-up person, and date the permission note.

The school must be notified of students picked up by a service (karate, other childcare, etc.) and if the student is going to be absent, the parent must notify the service.

### **Dismissal Procedures:**

To avoid the school's involvement in family disputes, legal guardians must submit to the school a copy of legal documents indicating who has legal access to the child.

- Without the above documentation, the school will only release the student to those parties listed on the student's Clinic Card.
- Friends and strangers will be denied access to a child in the absence of verified parent consent.
- Families going through separation/divorce must provide legal documentation of custody. Until that documentation is secured, the school will only release the student to those names listed on the student Clinic Card. In all cases, legal documentation supersedes a parent's personal preference.
- Families who share joint custody rights should request copies of grades and progress reports in writing. We are happy to mail extra copies of reports cards.
- Students who are late getting picked-up or are early to school will be moved to and supervised by the Extended Learning Program staff, and the family will be charged a fee.  
\*See ELP information below.

## DRESS CODE

Academie Da Vinci's Standard Student Attire Policy was established to eliminate distractions, promote a positive learning environment, and help students take the work of school seriously. Our uniform vendor is iUniforms.

### Bottoms

- Pants may be khaki, denim, or navy (clean, ironed, free of holes and rips, no sequins, logos, or frays). Bottoms may be purchased from the iUniforms website or any other store. No logos, writing etc.
- Shorts, skorts, capris, skirts, jumpers, and polo dresses must be knee length (khaki, navy, or denim). Solid colored (navy, black, white) bike shorts or leggings may be worn underneath.

### Tops: All ADV tops can be purchased from the school's vendor, iUniforms.

- ADV logo polos (navy blue, red, light blue, purple and pink) are mandatory.
- ADV dolphin logo t-shirts (purple or green) are optional.
- ADV Sweatshirts (navy blue) are available for purchase on iUniforms.
- ADV Jackets may be purchased at iUniforms.
- All other sweatshirts and jackets are allowed but must be solid in color with no logos.

### PE Uniforms:

- Required for all middle school students (grades 6-8). Grey dolphin logo T shirts and shorts. Students change before and after PE. **Must be purchased from iUniforms.**

### Shoes:

- Sneakers with socks must be worn at all times (except when on the dance floor).
- Dress shoes are appropriate for special occasions which will be announced. **NOT ALLOWED:** knee-high sneakers, sandals, platforms, flip-flops, boots, boat shoes, "Maryjane's", and "Heelys".

### Dance:

- **Boys Dancewear** – Black or New ADV Dolphin Logo T-shirt and black athletic pants or black basketball shorts. Dance shoes: black canvas or leather ballet shoes.
- **Girls Dancewear** – Short or Long-Sleeved Black Leotard with a pair of plain black ankle or capri length leggings (no mesh or cutouts). Dance Shoes: canvas or leather ballet shoes. Hair must be pulled securely back into a bun (preferred) or a neat ponytail. Those with hair too short to pull into a bun or ponytail should wear their hair half up/half down or wear a headband to keep hair neatly off the face. Girls in grades 4-8 must wear black or ADV Dolphin logo shirts over leotards during non-dance classes.

Dancewear and Shoes will be available to order through the school at:

The Dance Shoppe (727) 351-4154 400 Douglas Ave Unit C Dunedin, FL 34698

**Drills:** All students will be guided by their teachers and school staff through drills to practice for emergency situations. Throughout the entire school year, students will practice fire evacuations (primary and secondary routes), lockdown drills, tornado drills, and various emergency situations. In the event of a real tornado warning, students will be moved to interior rooms, and directed in assuming the tornado readiness position (on knees, tucked low, head covered by arms).

### **Early Dismissal:**

Any student leaving school prior to dismissal time will have an early dismissal logged into the attendance record.

Excused early dismissal is granted for a doctor's appointment and extreme emergencies.

Instructional time is very valuable. If a student has 5 or more unexcused early dismissals in a semester, a conference will be called by the principal.

### **Electronics:**

Students will be directed by their teacher regarding which, if any, electronic devices may be used in their class for **educational purposes**. At no time is it acceptable for students to bring/use gaming devices, handheld devices including cell phones. They may NOT bring DS, PlayStation, or similar games. No games may ever be played at or during school. Reading devices may be used in the classroom at the teacher's direction but no device of any kind may be used in the hallways, at lunch or before or after school, including ELP.

*Academie Da Vinci* is not responsible for the repair or replacement of any student-owned electronic device. Students must make sure their equipment is well marked with their name and monitored or secured at all times.

### **ELP (Extended Learning Program):**

- Morning hours 7:00 – 8:15 AM Elementary, 7:00 - 8:45 AM Middle School. Afternoon hours 3:00 – 6:00 PM Elementary, 4:00 – 6:00 PM Middle School.
- Cash and auto-withdrawal are accepted. Fees will be charged each day the family is late. Families who have been early to drop off or late for pick-up more than once must officially sign their child into the Extended Learning Program. This means paying the registration fee and filing the proper registration paperwork.

### **Emergencies:**

All school staff are trained to deal with emergencies and care for the students. **Every staff member holds current certifications in first aid, CPR, AED use, and Epi-pen use.**

The staff and students drill regularly in case of fire (in both main and alternate evacuation routes), lockdown, or tornado. In the event of a real emergency, the campus will close down, and emergency personnel will join the principal in determining a plan for student pick-up. A central check-out location will be established, and students will be released to guardians at that point.

In case of an emergency evacuation, our school has developed an Emergency Response Plan along with a Reunification Plan. Our plans have been submitted to the Pinellas County Sheriff's Office and Pinellas County Schools. Our Reunification location is: North Dunedin Baptist Church at Michigan and County Rd. 1. At this point, an administrator or designee would have

contacted Parents, ADV Board of Directors, PCS Charter School, and Law Enforcement. Pick up procedures will be shared at that time.

*\*All phones in the schools (offices, cafeteria, and all classrooms) can connect to 9-1-1.*

**AED-** An Automated External Defibrillator is located in the lobby of the main building. The machine has a recording that will direct anyone through the steps for use. All staff have been trained in the use of this AED.

**Illness:** If a student becomes ill at school, and it is determined the student would be better cared for at home, school personnel will contact the legal guardians. If, after several attempts, there is no answer, emergency contacts will be notified.

There are limited facilities to care for a sick child at school, so it is imperative that families should make arrangements to pick up a sick child as soon as possible after the school calls.

School officials should be notified if a student has a chronic illness (such as asthma, diabetes, seizure disorder, heart condition, etc.), or severe allergies.

Students who may need immediate medication (such as an Epi-pen) must have current medication at the school every day.

### ***Injury:***

Teachers will send students with minor injuries to the office for treatment.

Teachers will alert the office if a student is injured and unable to move or be moved.

The family will be called, and the injury described. For minor injuries, the parent will decide if the student will be picked up.

School personnel are not allowed to perform any procedures, including removing a splinter or pulling a loose tooth.

### ***Critical Injury:***

The local Emergency Medical Service (EMS) will be called for any critical injury that requires the type of care beyond the scope of basic first aid. A parent or emergency contact will be called immediately. If the student must be transported to the hospital and a family member is not yet at school, a school staff member will accompany the student. A school Accident Report- will be completed for every accident occurring at school and kept in the office.

### **Family Rights & Privacy Act:**

The intent of the law is to protect the accuracy and privacy of student educational records. Only the legal guardian(s) and authorized individuals having legitimate educational interests will have access to any child's educational records. In special circumstances, guardians may waive the right of access to other agencies working with the child to have access to records. All student records are secured in locked files located in the Office Manager's office.

### **Field Trips:**

Field trips are arranged by teachers or school personnel to enhance the educational experiences of our students. Parents *may be asked* to assist as chaperones. **Parents serving as chaperones may NOT have other children (siblings, relatives, etc.) accompany them on the trip.**

Student participation in a field trip is a privilege. Students serve as representatives of the school; as such, in rare cases, a student may be excluded from a field trip for reasons relating to behavior or conduct.

Written parent/guardian permission must be granted for any student participating in a school-sponsored field trip. Permission forms will be sent home 2-3 weeks before each trip. Some trips may require an admission fee and/or travel expenses. The school and staff attempt to schedule trips that are nominal in expense.

Students will not be denied participation in a field trip because of the financial burden on a family. Any parent with a financial concern related to field trips is invited to speak privately with the Principal about waiving all or part of the trip expense.

### **Grading:**

Report cards are sent home according to the Pinellas County Schools calendar. Written progress reports are sent home mid-way between report distributions (in grades 6-8, progress reports are only sent home for students with D's or F's or per parent request). Progress Reports and Report Card schedules can be found on the ADV or PCSB website. Our grading scale is:

#### **Grades 1 & 2**

E = Excellent  
V = Very Good  
S = Satisfactory progress  
N = Needs improvement  
U = Unsatisfactory expectations

#### **Grades 3, 4, 5, 6-8**

90 - 100% = A outstanding progress  
80 – 89% = B above average progress  
70 – 79% = C average progress  
60 -- 69% = D lowest acceptable progress  
00 --59% = F failure to meet expectations

Teachers will communicate with parents and/or guardians when a student is falling below satisfactory or below average progress and, together, plan interventions and strategies for helping the student make progress. Please note that teachers cannot change grades after report cards have been distributed. The grades per quarter, per subject, will constitute each student's term grade and will reflect their academic progress with regard to Florida's State Standards. A sampling of corrected work in each subject area will be sent home regularly, as appropriate to the subject- exceptions are dance, PE and the like.

All families must have Parent Portal logins to view grades regularly.

### **Grievances:**

If a student and/or guardian feel they have a grievance or complaint, they should follow these steps:

1. If the complaint is related to the classroom, contact the teacher to schedule a conference in an effort to reach a resolution. Be sure that all facts have been gathered.
2. If the issue is not resolved, schedule a meeting with the administration (Principal and/or Dean of Students) with the classroom teacher present.
3. If the issue remains unresolved the parent should contact the school's Parent Liaison (see website).

### **Non-Classroom Complaints:**

1. If the complaint is related school-wide policies or procedures, schedule a meeting with administration (Principal and/or Dean of Students) to present concerns.

2. If the issue remains unresolved the parent should contact the ADV Board of Directors President (see website).

### **Homework Policy:**

Homework is extra practice to reinforce concepts taught in the classroom, reinforce skill development, and/or work on projects. Parents can help their child in the following ways:

- Show an interest in the student's work
- Provide a quiet place to complete work
- Assist with practice in spelling and number calculations
- Encourage reading, and listen to the child read

If homework is taking an exceptionally long time or is too difficult, please conference with your child's teacher.

### **Principal's List & Honor Roll:**

Students in grades 3-8 are eligible to earn Honor Roll recognition in each of the grading periods.

#### **Eligibility Standards:**

**Principal's List: All As in ALL subjects and acceptable conduct**

**Honor Roll: all A's and Bs in ALL subjects and acceptable conduct**

### **Instructional Books, Equipment, & Supplies:**

Textbooks are purchased with school funds; therefore, they are school property. They must be treated with respect and kept in good condition. Textbooks and library books may not be marked on or defaced.

Students are expected to attend school with all the basic supplies for class participation. Families are encouraged to assist their child with packing homework, and replenishing supplies as needed.

### **Kindergarten:**

ADV conducts a full day of kindergarten. This age group is learning how to be a student, as well as learning academic skills; therefore, parents may not go into the classroom to complete the students' required tasks and routines, such as unpacking their book bags and putting away supplies.

Naps: During Semester I, kindergarteners will have nap time immediately after lunch. They will each need a towel and/or blanket in a drawstring bag. However, during Semester II, the nap materials go home.

### **Labels:**

Please label all personal property with your child's name: lunch box, water bottle, backpack, jacket, sweater, sweatshirt, coats, and school supplies.

### **Lost & Found:**

The Lost and Found is located in the lobby. Students should check with the front desk staff after checking in the classroom. Periodically, clothing remaining in the Lost & Found box will be donated to a local shelter.

### **Lunch/Breakfast Options:**

1. **Bring a lunch from home** - pack a healthy lunch and drink (in addition to the morning snack); or
2. **Sign up for the FREE school district hot lunch-** this lunch includes a hot entrée and sides plus milk and juice. Homeroom teachers will ask their students if they will be selecting the school lunch each morning and submitting their orders to Ms. Julie.
3. **ADV offers FREE breakfast every morning.** If your child would like a breakfast, please fill out a breakfast/lunch form each week. Students are encouraged to eat breakfast before school.

### **Medication:**

All medicine (including prescription and over the counter) that is taken by a student while on campus **MUST BE ADMINISTERED BY AN AUTHORIZED STAFF MEMBER**. Students may **NOT** possess any medicines at any time while on campus.

Medications can be administered by designated staff only after a legal guardian signs an authorization form. ALL medications must be clearly marked with the student's name, and instructions for dosage and frequency.

**Medications on Field Trips: Students'** medications will be secured in a first aid kit and taken on the trip. In this case, the teacher will be authorized to administer the medication.

### **Volunteers:**

As a volunteer at ADV, you are representing our school in a variety of settings. Your conduct in and around our school is expected to be reflective of our school vision and values. Any negative behaviors and/or comments exhibited will result in limitations of volunteer privileges.

A critical component to the success of our charter school is the family involvement and volunteerism. All families are encouraged to volunteer a minimum of 20 hours to the school each year.

There are many opportunities to volunteer for the school, including (but not limited to)

- assisting at morning car circle;
- afternoon car circle;
- drive /chaperone field trips
- helping at lunchtime;
- helping in the classrooms;
- assisting with upcoming shows in Music, Dance, and Art;
- preparing or working at PTO events (Parent Teacher Organization)
- building/constructing items for performance
- helping with other school projects as needed

Field Trip volunteers will be recruited by each teacher, as needed. The selection may be on a first-come basis or may be made by lottery. The teacher will notify the parents/guardians of their selection for a field trip.

Pursuant to School Policy, volunteers who have unsupervised contact (i.e., field trips) with students must be Level II screened.

All volunteers who are scheduled to attend fieldtrips as chaperones must be Level II screened.

All Volunteers that are field trip drivers must also be Level II screened.

Reminder: Other siblings/children are NOT allowed to attend a school field trip.

*Academie Da Vinci* is an approved agency for providing background checks and fingerprinting through the Florida Department of Law Enforcement (FDLE). A level II background screening is required for any volunteer who will drive our students or work with our students in school without direct supervision of a staff member. A background check (level I) is required for any level of volunteering. See the Office Manager for paperwork and assistance. If you have volunteered or would like to volunteer on a field trip or in school, you must go through this new process. If you have been previously approved through the Pinellas County Schools as a level II volunteer, you may continue to volunteer for up to 5 years since the date of your fingerprint.

### **Policy on posting events/clubs/invitations:**

*Academie Da Vinci* is a public educational institution and non-profit organization. *Academie Da Vinci* sponsors many events throughout the school year to support the creativity and development of our students. Our PTO also sponsors many events to support the school. *Academie Da Vinci* always publicizes school and PTO events. Events that are donated to benefit the whole school may also be publicized as well as PCSB sponsored events and opportunities, with school approval.

*Academie Da Vinci* must pre-approve any publicity, posting, or distribution of information of any announcement, event, business or club that is not directly sponsored by the school. In considering whether to allow such publicity or posting, the school will consider whether the event being posted is for a charitable organization and/or whether it would tend to support the whole educational community. Student initiated clubs or events must be approved ahead of time following these same guidelines.

Birthday parties and other similar invitations may be only shared if all students in each classroom are invited to the event.

### **Restroom and Hall Passes:**

All students must obtain the verbal consent of their teacher to leave class to travel to a restroom. Young (K-1) students must travel with a partner. K-8 grade students should use a hall pass marked with the class name. The teacher will monitor how long students are out of class and have a sign-out/ sign-in system.

### **School Security:**

School security is taken very seriously. The only public entrance into the school is the front door of the South Building. All visitors MUST sign in and be cleared at the front desk. Visitors will receive and must wear an Identification Badge while on school grounds. All staff are trained and required to look for the Visitor's Badge, and will escort anyone without this identification to the front desk to sign in.

All doors on campus will remain locked and can only be accessed by staff members.

During the school day, all inquiries are made to the south building only. The front door of the north building is used for dropping off and picking up only. Students use the side entrances to the north and south buildings during the school day for class transitions.

The school has locking doors leading to all the wings. In the event of an emergency, these doors will remain closed and locked. Students moving between the two buildings will ALWAYS

be escorted by an adult staff member/parent volunteer. Students being sent to the office from the north building will be escorted by an adult.

The playground is completely fenced in and has gates locked from the outside. The gate is not locked from the inside so that staff and students can exit quickly in case of emergency.

All classrooms have telephones, and all staff have access to walkie talkies. The principal and office staff monitor the walkie-talkie system.

In the event of a security alert, staff will lock down the building and visitors will be moved to a classroom or office.

### **Snacks:**

Students K-5 will have a snack time each morning with their class. Students should bring a healthy snack and drink. Soda, chips, and dessert type snacks are not recommended.

### **Students' Rights:**

- Students have the right to a safe and orderly environment.
- Students have the right to feel safe from threats or bodily harm.
- Students have the right to be treated with respect.
- Therefore, the school will not tolerate disruptive behaviors, disrespect to each other or staff, and/or verbal or physical misconduct.

\*At no time may a parent/guardian approach another student about a conflict. Other adults are not allowed to criticize, discipline, or discuss information about another student. Such behavior occurring on school grounds will result in a trespass notice.

FERPA: Family Educational Rights & Protection Act

<https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

### **Suspension:**

*Academie Da Vinci* follows the Pinellas County Schools' guidelines for suspension and expulsion.

### **Tardy Policy:**

Students are expected to be in their classrooms by 8:30 a.m. sharp for Elementary and 9:00 a.m. sharp for Middle school. Students who arrive after school starts are required to go to the front desk in the South Building, with their guardian, and will receive a tardy pass. Please do not drop your child off in the parking lot.

### **Tardy Policy Enforcement:**

\*See "Attendance"

### **Visitors:**

- To ensure safety and protection for students and staff, all visitors are required to sign in at the reception desk.
- The Visitor's Pass must be worn at all times while on the school campus.
- NO visitors, including parents, are allowed to go into the classrooms without the consent of the administration. Classroom volunteers and those having scheduled appointments must sign in at the front office and receive a visitor pass.

- Visitors to the school during standardized testing must remain in the front lobby.
- No one is allowed in the buildings during emergency drills. If a visitor is in the building during a drill or lockdown, they must follow the directions of the teacher.

**Weather Alerts:**

We follow Pinellas County Schools' decisions regarding school closings.

Days missed for weather issues will be made up at later dates announced by the school district.

Threatening weather is monitored at the school through both weather alert radios and the Pinellas County Schools' announcements.
